Your Aiven service token for mysql-ifcbluhyl is exposed

An active service token for your service mysql-ifcbluhyl in project hvescovi-ifcblu is publicly available online at https://github.com/nataliacarraropereira-crypto/av5/blob/4c4362c748191039b8f80a9a4c681ea81a38af15/.env.

This exposure of your service credentials poses a risk to your Aiven service and could lead to disclosure of data stored in your service. Please rotate this credential as a matter of urgency. The service user can be managed either through the Aiven Console or Aiven CLI.

⚠

- **Service name:** mysql-ifcbluhyl
- **Project name:** hvescovi-ifcblu
- **Username:** avnadmin
- **Online at:** https://github.com/nataliacarraropereira-crypto/av5/blob/4c4362c748191039b8f80a9a4c681ea81a38af15/.env
